REPORTS ON

AMRIT INTRENS ORIENTATION PROGRAMME

IPL CENTRE FOR RURAL OUTREACH, ICRO, NEW DELHI

VENUE: FAKIR MOHAN UNIVERSITY, BALASORE ON 20th DECEMBER, 2023

REPORT ON

ORIENTATION PROGRAMME FOR AMRIT INTERNS (ICRO)

Fakir Mohan University, Balasore, Odisha organized a one-day orientation programme in Fakir Mohan University on 20th December, 2023 with association of ICRO, Indian Potash Limited and National Productivity Council. The program was conducted by P.G. Departments of Population Studies. A total of 51 participants from Arts, Science and Commerce with agricultural interest joined the program in Balasore district with the financial support of ICRO, New Delhi. Interns were selected from all the eight blocks of the district.

In this program District Agriculture Officer Mr. Saroj Giri, ICRO MENTOR Mrs. Nandini Roy, Professor Surjendu Kumar Dey, ICRO Director Dr. Rajeev Ranjan, Vice-Chancellor Professor Santosh Kumar Tripathy were present to organize the program in the best possible way.

Welcome speech was given by Mrs. Nandini Roy. With support of the video conferencing ICRO director Dr. Rajeev Ranjan had given his valuable speech to encourage the interns.

Following this, Mr. Sameer Kumar Jena, a faculty member in the P.G. Department of Population Studies, presented concise explanations of farming and agriculture, backed by secondary data. Additionally, he explored various schemes and programs implemented by the Odisha government.

Mr. Saroj Giri delivered his speech on the application of science and technology in the field of agriculture. The interaction between the interns and their issue related to bank loans, Odisha government agricultural schemes, project report and other uses well discussed to get the solution from his end. Also, he assured to support all the interns to get good knowledge and technical support as and when they need it.

Dr. Surjendu Kumar Dey, Professor of Environmental Science Department discussed the new concepts of organic farming and its value for the social wellbeing. Now the time is there for the best practices for the life to live a prosperous healthy life which is only possible with the organic food, so need to transfer the orientation of high yielding through the organic manure. He also suggested to practice traditional way of agriculture and use of bio-fertilizer. He highlighted immense cultivation power of land and elicit real life example of Delhi university's group of scientists who converted barren infertile land into fertile land. Professor discussed with the interns few concepts like natural system of agriculture, vermi-compost, eutrophication, nitrogen cycle etc.

Mrs. Nandini Roy, Mentor, ICRO discussed the value of cooperatives and farmer producer organization (FPO) and how farmers and rural community could get benefit in increasing their standard of livelihood. She also informed about MSME which helps small business owners.

Finally, Dr. Rajeev Ranjan, ICRO director, spoke to the interns about the aims and objectives of the Internship programme and encouraged the interns to complete their tasks with sincerity and purposefulness.

Following this, Dr. Grace Mundu, Program Coordinator, spoke to the interns, enlightening students about the significance of agriculture in the agrarian state of Odisha and Balasore. She also emphasized how the data gathered by interns would contribute to the overall development of farmers in the region.

University Vice-Chancellor Prof. Santosh Kumar Tripathy appreciated the program and efforts. He suggested to being honest of students during the survey. He also addressed about the necessity of authentic information which will make this program successful.

Finally, the vote of thanks was given by the program coordinator Dr. Jagannath Behera with a promise to support the interns to complete this program in a better effective way.
